Dear James,

**Planning application reference WSCC/011/21  
Energy Recovery Facility and Waste Sorting and Transfer Facility, Ford Circular  
Technology Park**

**Demolition of existing buildings and structures and construction and operation  
of an energy recovery facility and a waste sorting and transfer facility for  
treatment of municipal, commercial and industrial wastes, including ancillary  
buildings, structures, parking, hardstanding, and landscape works.**

We write on behalf of the joint applicants, Ford EfW Ltd, Grundon Waste Management Ltd and Viridor Energy Ltd, to request that the above planning application reference WSCC/011/21 be formally withdrawn.

Following consideration of the matters raised in the officer's report to committee, the applicants have concluded that they do not wish to have application reference WSCC/011/21 proceed to determination.

We would therefore be most grateful if you would confirm in writing that application WSCC/011/21 is now treated as withdrawn.

Yours sincerely

Steve Molnar
