Address	LITTLE POUND FARM, SPY LANE, SPY LANE, BILLINGSHURST, RH14 0SQ
Type of Comment	Objection
Comments	Can't believe that anyone that loves our beautiful country can think this is a good idea.
	Pallinghurst woods are a fabulous treasure trove of flora and fauna. The devastation that this development will cause in terms of loss of wildlife and plant life cannot ever be recovered from.
	The lorry traffic will destroy our wonderful peaceful village.
	Do not do this to the lovely people, animals and plants of Loxwood.
