Comments	<input type="text" value="I am protesting most strongly to this application on grounds of destroying this peaceful ancient woodland that is used by local families and lovers of the countryside from far and wide for physical and mental well-being. Apart from destroying the flora and fauna, the narrow country roads to the site will become a rat run for heavy lorries causing damage to the road surfaces and danger to local motorists and walkers. Please dismiss this application forthwith, no ifs no buts!!"/>
