Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Mrs Stefanie Dibben	
Address	Endsleigh, Lynwick Street Rudgwick	
Type of Comment Comments	Objection	
	I am worried about the impact this plan would have on a small rural area, in terms of destruction of natural habitats and an increase in pollution and industrial traffic. The area has already suffered from increased lorry traffic, both on Lynwick Street and Knowle Lane as well as the A281. I would strongly urge the council to consider the damage the project would cause to the local environment and to the community.
