

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Graham Moore"/>
Address	<input type="text" value="SPY FARM, SPY LANE, SPY LANE, BILLINGSHURST, RH14 0SQ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I would like to object to this planning application on the following grounds:-</p> <p>There is currently sufficient capacity for construction and demolition waste in West Sussex in established locations which are far more suitable than this ancient woodland area. The application is on a green field site, National Policy states that waste sites should be sited in built up areas or brown field sites.</p> <p>The site access for HGVs will run alongside and across established public rights of way, regularly used by local people. This will give rise to severe safety and health issues.</p> <p>The proposed operation will have a severe impact on the enjoyment of us local people walking in the woods.</p> <p>The development will have a major impact on local wildlife habit and species such as badgers, bats and all wildlife.</p> <p>The increased HGV traffic will have an acute impact on all of the roads around this area which could cause a severe risk to road users and pedestrians.</p> <p>In summary, I would like to object on the grounds that this development isn't suitable, it will have an impact on our ancient woodlands and will generate excessive traffic, noise, dust, odour and fumes.</p>
