

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Gina Moore"/>
Address	<input type="text" value="SPY FARM, SPY LANE, SPY LANE, BILLINGSHURST, RH14 0SQ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I would like to object to this application on various grounds that I will list below:-</p> <p>Environment - The development will have a major impact on local wildlife habit and species. The layby parking area where the wheel wash is proposed is in irreplaceable ancient woodland.</p> <p>Traffic - The significant increase in HGV traffic volumes will present a safety risk to existing road users as well as pedestrians and the increase in traffic will have a severe impact on the noise levels.</p> <p>Tranquility - The HGV movements, lorries and the wheel wash facility will create significant noise disturbance and will have a severe impact on the serenity in the woodland where many people walk to listen to the bird song.</p> <p>Development Plan - The proposed operation does not fit in with either our local Loxwood Neighbour Plan or the Chichester District Local Plan for development in a rural area. The application does not enhance, protect or compliment the natural environment.</p> <p>Waste Site - the Applicants plan is to recycle only 50% of waste brought onto the site. This is well below accepted industry standards.</p> <p>In summary, I think this is a very poorly laid out proposal that will have a major detrimental effect on our local ancient woodland and will affect all local people who use the woodland as well as the birds and animals that live in the woodland.</p>
