## Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Isabel Sayers
Address	MARTLETS, POND COPSE LANE, POND COPSE LANE, BILLINGSHURST, RH14 0XF
Type of Comment	Objection
Comments	This development will ruin loxwood's beautiful woodland and create waste that will be detrimental to the environment. Loxwood is not a big enough village to tolerate the increase in HGV traffic and it will

This development will ruin loxwood's beautiful woodland and create waste that will be detrimental to the environment. Loxwood is not a big enough village to tolerate the increase in HGV traffic and it will present a severe safety risk for road users along loxwood road. There is also no current demand for more clay so the clay pit will be producing more clay than we will need resulting in more waste which will damage the environment.
