Address	DAUX WAY, 12, DAUX WAY, BILLINGSHURST, RH14 9TG
Type of Comment	Objection
Comments	This should absolutely not go ahead. There is no justification for ripping through woodland for the purpose of making money. Quite how anyone can drive around the roads in this area and think them fit for 42 journeys per day in a lorry is beyond me. Rethink this before too late. There's far more to life than ticking a box for central government.
