Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Michael Leman
Address	ATHELDENE, LOXWOOD ROAD, LOXWOOD ROAD, HORSHAM, RH12 3DW
Type of Comment	Objection
Comments	I feel the extent of this proposed operation is too destructive for these woodlands. Surely by owning this land one should not be able to do whatever one likes with it. The route proposed for the lorries along Loxwood Road, considering their number and size, would be inappropriate due to the noise and width of road. I have read from other reports that the clay is not even needed: perhaps this is the "elephant in the room". Thank you and I hope this can be resolved appropriately.
