| Comments | <p>Traffic: The increased HGV traffic will have a severe impact on the local villages/hamlets of Bucks Green, Tismans Common and Rudgwick. This significant increase (c300%) in HGV traffic volumes will present a severe safety risk for existing road users along Loxwood Road. This has not been fully assessed. The proposed site access arrangements are not 'safe and suitable' as claimed and represent a severe risk to other road users and pedestrians. There remains a risk of impact on highway safety and residential amenity through Loxwood village unless a routing agreement is secured, adhered to and properly policed. There will be an acute impact on highway safety along Loxwood Road from high passing speeds on a restricted width carriageway. The road is just 5.1m wide at its narrowest point and 5.5m along most of its length. There is a severe highway safety issue from HGVs entering and exiting the Loxwood Road/A281 junction at Bucks Green. There is the potential for damage to Listed Buildings which will be affected by increased HGV traffic along the proposed route.</p> |
