Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	David Cozens	
Address	WYNDHAMS, CHURCH STREET, CHURCH STREET, HORSHAM, RH12 3EJ	
Type of Comment	Objection	
Comments	As a local resident and cyclist I object to this unnecessary development for the following reasons: 1) The additional HGV traffic generation that would be a danger to local trafffic and cyclists who regularly use the Loxwood road at this point 2) This is a greenfield site and is totally unsuitable for such a proposed development. 3) The justification given by the Developer for this project (such as a need for clay extraction and subsequent in filling) have by research to be shown as false and therefore must be considered to be a mainly for financial gain! 4) Loss of a local amenity in this particular area caused by HGV movements giving rise to dust and pollution.
