Comments	<input type="text" value="I am objecting to this application on Ecological and Public Safety ground. Pallinghurst Woods is one of the 'lungs' of our county. The impact of allowing this development would be utterly disastrous with the massive loss of trees and wildlife habitat when we're supposed to be doing all in our power to preserve our green spaces to combat climate change. The lorry movements predicted would also render the local roads unsafe in the extreme to all local users whether in cars, on bicycles, walkers and horse riders. It must not be allowed!"/>
