Comments	<p>This is a greenfield site; National policy states that waste sites should be sited in built-up areas or brownfield sites.</p> <p>The actual driving distance from layby site access point to the Lorry Route network (on A281), is 3.25 km. This exceeds the recommended distance. There is a further 1.3km to reach the site from the lay-by access on woodland tracks. Thus the total distance from site to the LRN is 4.55km, mostly along an unsuitable, minor road.</p>
