Comments	<input type="text" value="I do not live in this area but pass the proposed site many times to visit my widowed sister-in-law and to play weekly tennis at Hale.
I remain concerned at the safety of HGVs on Loxwood Road, especially when travelling round the bend from the east. I will not be expecting HGVs waiting in lay-bys or turning on and out. This is a quiet area of the country where industrial activities are not appropriate.
There are many pedestrians, dogs and cyclists who will be endangered by HGVs in a quiet country area.
There is no place for mining in this area.
The proposed bay survey should cover all the woodland."/>
