Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Richard Small	
Address	MEAD ROAD, 13, MEAD ROAD, CRANLEIGH, GU6 7BG	
Type of Comment	Objection	
Comments	There is no demand for clay for brick making and so this appears to be a waste disposal project. Landfill is an out dated disposal method which should be replaced by recycling and valorisation. The project does not enhance, protect or compliment the natural environment or rural character of this precious and irreplaceable area. I strongly object to this development.
