Comments	<input type="text" value="I strongly object to this application. The site is unsuitable for so many reasons. We have only recently moved to our 'forever home' in Tismans Common and the passing of HGVs along Loxwood Road will severely impact the peaceful setting in which we chose to move to with our two young children, let alone the safety risks this presents. The proposal may be 'temporary' but 33 years is a significant amount of time to destroy a woodland that has been there for hundreds of years. This is unnecessary, please don't allow it."/>
