## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Tessa Winkworth	
Address	Merton Place Dunsfold Surrey	
Type of Comment	Objection	
Comments	I can't actually believe that you are giving this application any idea of letting it through. Pallingshurst is a haven for people and animals , and the thought of ruining it with a recycling plant and clay pits is beyond my understanding. There is precious enough beautiful forestry left in this area so for goodness sake use some brains and leave it ALONE. Otherwise there will be nothing left for future generations .
