Type of Comment	Objection	
Comments	My self and My husband object to this development because living closer to A281in Rudgwick. We already notice the traffic noises have gone up and the traffic is so bad already and if this development goes ahead it will cause gridlock in the mornings and evenings. Also, increase the pollution in the atmosphere. We have chosen to live in the countryside and we shouldn't put up with this type of development. I hope it will be stopped without too much trouble. Thank you.
