Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Jackie Bench
Address	DELL LANE, 17, DELL LANE, BILLINGSHURST, RH14 9QE
Type of Comment	Comment
Comments	The environmental damage that would be caused by this development would be irreversible. The impact on wildlife and their habitat and the effect on local users of this green space cannot be understated.
	The steady use of lorries delivering their loads for landfill also would add to pollution, which our government are trying to reduce, not add to.
