Comments	<input type="text" value="Having lived in Loxwood for more than 50 years, I feel that if the application is passed, it will completely change Loxwood and all the surrounding villages beyond recognition. It would ruin the peaceful settings that we are all used to. It is such a long term project too, lasting 33 years I believe, with over 40 lorry movements a day. Many of us like to go there for a walk, some with dogs and that would be totally ruined with lorries in and out all day. All in all I hope you do not pass this application for all the people who live in this lovely area."/>
