

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Nicholas Alderton"/>
Address	<input type="text" value="CROFTS HOUSE, BARKFOLD, BILLINGSHURST, RH14 0JH"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="The area of the proposed clay pits is totally unsuitable. It will impact on the woodland and wildlife, the narrow roads and tracks leading to the proposed site are not built for regular daily HGV traffic and the disturbance to the villages will be unacceptable. I understand that there is plenty of brick clay available in existing sites and filling up the pits with waste and the threats to the woodland is unacceptable."/>
