## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Rosemary Barnett	
Address	NELL BALL, 6, NELL BALL, BILLINGSHURST, RH14 0QB	
Type of Comment	Objection	
Comments	This is a beautiful ancient woodland that should not be ruined for a waste recycling plant and clay pits, it will be devastating for the wildlife. The noise from all the work and HGVs will ruin this peaceful location. The local roads are already in a bad state with pot holes, they will not be able to take the additional traffic, especially HGVs.
