Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Lydon king
Address	6 Barley Mews Rudgwick RH12 3XL
Type of Comment	Objection
Comments	I strongly object. The pit is purely capitalism gone mad. We would be destroying so much for such little gain. Take note of the recent widespread UN paper on climate change. These small changes hav huge impacts across the world. We must protect our wild environments, our nature landscape and ou children's futures. This profiteering must stop. This destruction must stop.
