

Comment for planning application WSCC/030/21

Application number	WSCC/030/21

Address	THREE TREES, LOXWOOD ROAD, LOXWOOD ROAD, HORSHAM, RH12 3DW
Type of Comment	Objection
Comments	<p>I strongly object to this proposal. Loxwood Road has many equestrian properties along it and the road is frequently used by riders who already have to exercise great caution with the current traffic loads. Adding the proposed HGV traffic to this will cause a significant increase in the risks faced by all road users, including horse riders, cyclists and pedestrians. The road would simply be unable to cope with this type of added traffic.</p> <p>In addition, the massive negative impact on the local ecology flies against every news bulletin that tell us our planet is at risk and we need to do more to prevent climate change and the impact we are having on a global and local level. How can a local council possibly consider sanctioning such a destructive and dangerous proposal.</p>
