Comments	<input type="text" value="I object to the Loxwood Clay Pits Ltd planning application as the development will have a major impact on traffic on roads that are totally unsuitable for HGVs and noise pollution as well as dust odour and fumes. There are no pavements for the safety of pedestrians and young families with push chairs.
The wheel washing action will disturb locals and destroy the immediate wild life habitat.
This does not conform with the Loxwood Neighbourhood Plan or Chichester District Local Plan."/>
