

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Bob and Coral Callard"/>
Address	<input type="text" value="4 BEDLOW COTTAGES, EWHURST ROAD, EWHURST ROAD, CRANLEIGH, GU6 7EF"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>We object to this application on the grounds that:</p> <ol style="list-style-type: none">1. Increased HGV traffic will significantly affect the safety of narrow country lanes in the surrounding area and cause further damage to the already poor state of the road surfaces. Many of these lanes are used by walkers and cyclists who will be endangered for the next 30 years if the application is approved. The existing footpath and bridle network will also be compromised by these proposals.2. There will be a devastating affect on the biodiversity of the environment as a result of the proposed clay excavation plus increased dust and noise inconvenience for the surrounding villages.3. Clay excavation is already being undertaken on at least 6 other sites within the locality so it would appear that this additional site exceeds demand. There has been a similar application to extend the clay excavation at the existing brickworks near Walliswood which would greatly increase brick production in the area.
