Comments	<input type="text" value="I am totally opposed. The area has many old trees, and many birds nest in the woodland. It has public foot paths and a bridle track which crosses the route onto the Loxwood road. The Loxwood road to Bucks Green (A281) is used by a lot of riders riding horses and with the bends and narrow road would make continuing riding horses completely unsafe. Thus stopping riders from accessing the bridle tracks off Drungwick lane and the Canal path at Brewhurst."/>
