## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Mr Paul Chuter	
Address	COPPERS RETREAT, BUCKS GREEN, BUCKS GREEN, HORSHAM, RH12 3JF	
Type of Comment	Objection	
Comments	I wish to object to the possibility of numerous HGV movements a day along a narrow country road to and from this proposed site, resulting in unnecessary noise and polution. This will have an adverse affect and impact on the surrounding hamlets and villages. The HGV's will be carrying skip waste from construction and demolition sites, to enter Pallinghurst woods, via the lay-by on the Loxwood Road, restricting the current use for parking for persons wishing to use the nearby footpaths. The HGV's will need to cross these public footpaths and bridleways to access the site along a 1.3km woodland track and Public Right Of Way, in order to dump their loads into a a purpose built 1400 square metre building. Once the waste is sorted, it will be transported back out of the woodland to be sold. This site will create noise and polution to a currently tranquil location and 6 hectares of woodland will then be excavated in order to get clay. I would implore you to refuse this planning application and save this rural area from being irrepairably damaged and spoilt.
