

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Sarah Wilford"/>
Address	<input type="text" value="5 THE RIDDENS, LOXWOOD ROAD, LOXWOOD ROAD, HORSHAM, RH12 3DR"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>The proposed sight would disturb the tranquility of the ancient woods. Wildlife would suffer with noise, pollution, and lighting which would be needed for the recycling and waste building, car park and wheel wash area.</p> <p>The development will have an enormous impact on wildlife habitat and species. There is an active badger sett near the lay-by, parking and wheel wash area.</p> <p>Greener environments are associated with better mental health and wellbeing outcomes, helping depression, anxiety and enhancing quality of life for adults and children. They are popular woods for dog walkers, horse riders, and walkers with family and friends.</p> <p>There will be an impact on the lay-by with movement of HGV traffic and a proposed redesign of the area which will result in disruption and loss of public parking.</p> <p>There would be an increase of HGV traffic through local villages and along the Loxwood Road. The HGV traffic volumes will present an increased safety risk for existing road users, horse riders, cyclists and pedestrians.</p> <p>Parts of the Loxwood Road are not wide enough presenting a safety risk. There will also be a severe safety issue from HGVs entering and exiting the Loxwood Road/A281 junction at Bucks Green where there is a Bus Stop.</p>
