

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Charlotte Sanday"/>
Address	<input type="text" value="61 Rounton road Fleet Hampshire GU52 6JE"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I am writing to formally object against this proposed development. My mother and father live along the Lockwood road and I got married locally as well so the area means a lot to me. I have two small children who are in and out the car on the Loxwood road when visiting family so that also concerns me with regards to new increased traffic and also safety of my children but also lots of others who live upon the road. I am concerned about the pollution, dust, odour and fumes as well and the noise disturbance to my family and those who live around the area.</p> <p>I also have concerns about the environment and the animals and their habitats and the effect that it will have on the character of the lovely area.</p>
