## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Celia Coleman	
Address	PATHFIELD ROAD, 5, PATHFIELD ROAD, HORSHAM, RH12 3HS	
Type of Comment	Objection	
Comments	I cannot believe this ridiculous proposition is even being considered. The number of trucks required will completely ruin the tranquility of our rural villages, not to mention the devastating environmental effect of said trucks. This is an absolute no from me and so many others who live in the locality.
