

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Jessica Goodchild"/>
Address	<input type="text" value="LAKERS LEA, 10, LAKERS LEA, BILLINGSHURST, RH14 0TT"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="The proposal for clay pit and recycling facility at this site are going to ruin so much if they are allowed to go ahead. The beautiful natural environment with many species of animals homes being destroyed, some of which are protected. The already poorly maintained conditions of the roads will become more dangerous with the heavy goods vehicles that will be using them. The increased level of traffic and purpose of the proposal will increase pollution levels and noise in the quiet and tranquil local area. We love our village and no one in the local area wants this proposal to go ahead."/>
