## Comment for planning application WSCC/030/21

Application	WSCC/030/21	
number		
Name	Jill Power	
Address	3 The Gardens Rudgwick RH12 3XP	
Type of Comment	Objection	
Comments	This proposed claypit and recycling site from all the supporting information would seem to be completely unnecessary and inappropriate in the proposed location. The very narrow roads will not support the HGV's, making roads very unsafe for residents and drivers across the locality. This must not go ahead!
