

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Paul King Fisher"/>
Address	<input type="text" value="DALE COTTAGE, CHURCH STREET, CHURCH STREET, HORSHAM, RH12 3ET"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I strongly object to thi application for the following reasons.</p> <ol style="list-style-type: none">1. We need green spaces for the good of all of us. This proposal will wreck this beautiful area.2. Transporting clay to another site to turn into bricks is not at all efficient or Green both in terms of the transport required and emissions produced by the lorries!3. There doesn't appear to be a need for extra clay producing. This is just a cover for a massive commercial recycling facility which if permitted will only get larger. 4. The roads for access to the a281 are not wide enough so there is a danger issue. Not to mention the noise and dust that will be generated by the lorries.5. This use isn't one proposed in the development plan. This area should be protected as a real green resource .6. Waste processing if needed should be located on brown field sites not green ones!! <p>Please please reject this application as it will ruin the area for people, wildlife and nature!!</p>
