

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Ann Kent"/>
Address	<input type="text" value="Greengates Church Street ,Rudgwick RH12 3ET"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I see no point to this site desecration as there is no proven need for the clay.It would cause massive disruption to the immediate locality, total loss of a valuable recreational asset and misery to the residents of Loxwood, Tismans Common, Bucks Green and Rudgwick.</p> <p>The Loxwood Road is a rural lane- narrow and winding with barely room for 2 cars to pass in many places.As a frequent user I would dread meeting a large lorry head on - where to go ? it will be in the ditch or hit a tree - the risk is of fatalities is high - this road is just totally unsuitable.</p> <p>This plan goes against National guidelines and standards for recycling and waste disposal- the County Council as an elected body is obliged to support these .</p> <p>The exit point on the A281 is already hazardous and will be worsened. I see no benefits to the communities of Rudgwick and Loxwood and strongly object.</p>
