Comments	<input type="text" value="I am strongly objecting to this application!&lt;br/&gt;I have walked in these ancient woods for the last 17 years and find it shocking that this application is even being considered!&lt;br/&gt;The proposed entrance is off a small village road which can't possibly cope with HGV's using it on a daily basis. There is a public right of way too so the safety of local residents and walkers would be at risk.&lt;br/&gt;Damage to the road and lay-by must also be taken into consideration and this would cause another safety issue.&lt;br/&gt;The woods themselves are ancient woodlands and a Greenfield site and are of great natural beauty and home to flora and fauna. A 'Wellness Centre' for all who pass through!&lt;br/&gt;Noise and dust pollution will also be a huge problem.&lt;br/&gt;We must NOT let this application get through!"/>
