Comments	The roads around the claypit site are not build for the amount of heavy lorries that will be added. Traffic is already large enough with the house shaking where trucks go past. There is barely any footpaths causing pedestrians to walk in the road so with the added traffic it is inevitable that a accident will occur.	
	The area around the claypit in Lockswood and Rudgwick are beautiful little villages and the building of the claypit will ruins these two villages and the surrounding areas.
