Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Geoffrey Brooke	
Address	2 Sidney Road, Beckenham, Kent	
Type of Comment	Objection	
Comments	There is no demand for additional brick making clay. WSCC have more than 25 years of reserves. There is no justification for a waste site at this unsuitable location. There is currently sufficient capacity for Construction and Demolition waste in West Sussex. This is a Greenfield site; National policy states that waste sites should be sited in built-up areas o rbrownfield sites. This application is not sensitive to its setting in terms of size, bulk or location. It does not enhance, protect or compliment the natural environment or rural character of the area. IT IS LONG OVERDUE FOR COUNCILS AND GOVERNMENT TO TAKE MORE NOTE FROM LOCAL RESIDENTS AND THE GENERAL PUBLIC IN FAVOURING THEIR VIEWS INSTEAD OF INCREASED
