Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Michael Thrower	
Address	BROOKLANDS FARM, DURBANS ROAD, DURBANS ROAD, BILLINGSHURST, RH14 0DQ	
Type of Comment	Objection	
Comments	This application should be rejected to preserve the greenfield status of the site as there isn't a proven demand for this clay and therefore the waste site won't be required. The constant attack on the green spaces in this county must be more controlled and reasonable otherwise our children won't have any green space.
