

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Michael Rutherford"/>
Address	<input type="text" value="DRUNGEWICK MANOR, DRUNGEWICK LANE, DRUNGEWICK LANE, BILLINGSHURST, RH14 0RR"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I very strongly object to this application. I live a short distance away in a tranquil setting with very little background noise, which would be replaced by noise and dust, in particular NOISE pollution.</p> <p>It is a greenfield site with mature trees and pristine woodlands, which is a lovely area for walkers, dog walking and horse riding etc. This proposed operation would mean the destruction of this beautiful woodland and would have a severe impact upon the enjoyment of this area. The beautiful bird song and wildlife, including rare bat species, would be replaced by highly intrusive noise from HGV movements, skip lorries and increase in traffic on a minor road with no public footpaths.</p> <p>There is no demand for additional clay resources and this development will just result in an increase in net carbon emissions with the removal of the tree canopy and disturbance of the woodland floor, having a major impact on local wildlife habitat and species.</p> <p>I again strongly object to this application as there is no justification for a waste site at this unsuitable location.</p>
