Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Matt Wright	
Address	LITTLE BARN, HEADFOLDSWOOD FARM, PLAISTOW ROAD, PLAISTOW ROAD, BILLINGSHURST, RH14 0SX	
Type of Comment	Objection	
Comments	This horrendous plan should surely be declined. There is no way the lorry movements can possibly be safe on the routes that the application is suggesting. The junction between the the A281 and the Loxwood Road is currently unsafe for cars, let alone lorries, with very little visibility or space for 2 vehicles. The Loxwood road itself down to the suggested site is also completely unsuitable for the amount of lorries being discussed in this application.
