

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Hansgeorg Hofmann"/>
Address	<input type="text" value="Hale Farm House Loxwood Road Rudgwick West Sussex RH12 3 BP"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>Wildlife would be destroyed,the environment would suffer immensley via noise and pollution. The roads around us are already in a poor state and will deteriorate beyond what we have seen on the bio project in Plaistow which was finally abandoned. The daily expected increase in trucks going thru the woods and the roads being driven by often ruthless drivers will present an unacceptable risk for manny people living in Loxwood,Tisman Common,Rudgwick We live in a listed building,with lots of bats less than 100 yards from the road and would be badly effected by dust,fumes(diesel) smell and noise!</p>
