Comments	<p>I object to the Loxwood Claypits application for these reasons:</p> <ul style="list-style-type: none">Detrimental effect on wildlife and woodlandNoise and light pollution in a rural locationNo demand for brick making clay - there has been a recent closure of a brickworks locallyWaste site already available nearbyThis is a greenfield site and should remain as that, a waste site would not be in keeping with the rural settingLocal roads are unsuitable for additional HGV traffic and would present an increased risk to local traffic and pedestriansBrings no benefit to the local communityClosure of footpaths and damage to natural beauty is not to be endorsed and every effort should be made to protect the natural rural environment
