Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Oliver Ward	
Address	KELSEY HOUSE, HIGHCROFT DRIVE, HIGHCROFT DRIVE, HORSHAM, RH12 3DB	
Type of Comment	Objection	
Comments	First, the address look up facility suggests RH12 in is Horsham, whereas it is Rudgwick, therefore much closer to the proposed development than might otherwise be thought. There are so many reasons to object: lack of need for both the clay to be extracted and the depositing of waste; the tranquillity and beauty of the location; its use as an area for public recreation for walking, cycling and horse riding; the traffic generated on unsuitable tracks and roads; that the public consultees either object or require more information; the strength of local opposition. For all these reasons I hope the application fails.
