Comments	<p>To whom it may concern,</p> <p>As new resident to Loxwood & with 2 young boys under 3, I have serious concerns on the environmental impact the pit will have to the area. As per all reasons outlined by https://www.stoptheclaypit.org/</p> <p>The increased use of heavy vehicles & plant in the area worries me and the potential noise pollution & smells will have a detrimental affect on all people living near by which will ruin the tranquility of the area.</p> <p>All of which will affect the local community long term.</p> <p>We look forward to the planning being rejected.</p> <p>Kind Regards</p> <p>James & Emma O'Malley</p>
