Comments	<input type="text" value="I go to church in Loxwood Spy Lane and am upset about the damage to the village plus I live on the B2133 and am horrified at the additional number of heavy lorries that will use the road which is already lethal. I live near Hughes Hill and in a 40MPH zone near the bend and the traffic is frightening as it is. These roads cannot take much more. With all the additional houses being built traffic has increased and the driving has worsened. Not to mention the condition of the roads."/> <input type="text" value="I could not be more against this."/>
