Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Anthony Vidler
Address	LITTLE ORCHARD, LOXWOOD ROAD, LOXWOOD ROAD, HORSHAM, RH12 3DW
Type of Comment	Objection
Comments	The road was not built to take a constant flow of 38 tonne lorries. also the width of the road does not allow 2 vehicles of this size to pass one another without going on the pavement, the road is also used by equestrian stable to exercise the horses and this would be a danger to them as well. Finally the vibration of the vehicles would affect the foundation of the houses along the road
