

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Mike Street"/>
Address	<input type="text" value="ROSEHILL, 21, ROSEHILL, BILLINGSHURST, RH14 9QN"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="There are ample reserves of clay and no great demand for brickmaking clay. There will be greatly increased HGV traffic, plus closure of an existing footpath. There is no justification for a waste site at this location, on a greenfield site. This will not bring benefit to the local community and will create noise and pollution where currently there is none. There will be a major impact on wildlife."/>
