Address	<input type="text" value="BREW COTTAGE, BREWHURST LANE, BREWHURST LANE, BILLINGSHURST, RH14 0RJ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I strongly object to this planning application. This woodland contains a small part of ancient woodland which is a rare habitat. We should be preserving and cherishing this largely undisturbed, beautiful place where there are many plants and animals, some of which are decreasing at an alarming rate, ie. bats. We most definitely should not be churning it up, polluting it with noise, artificial light and throwing away our waste into it. It will be ruined forever.</p> <p>The impact of all these lorries movements on our small lanes and roads will not only bring a lot of noise disturbance, but also more pollutants and fumes to us which we do not want.</p> <p>The community do not want this development, it will not benefit us in any way and will only damage forever a beautiful jewel we have and many of us enjoy in our parish.</p> <p>Please councillors, listen to us and deny this application.</p>
