Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	
Address	NORTH BARN, TOKENS FARM, BILLINGSHURST, RH14 0QP
Type of Comment	Objection
Comments	I object most strongly to this destruction of ancient woodland, I do not believe the infrastructure can support the large lorries that will be needed to service this site. We are a small village with only mino roads. We have had enough development of recent for a village of this size.
